- a. Library Improvements
- b. Proposed Program Summary
- c. Review of Proposed Program Spaces

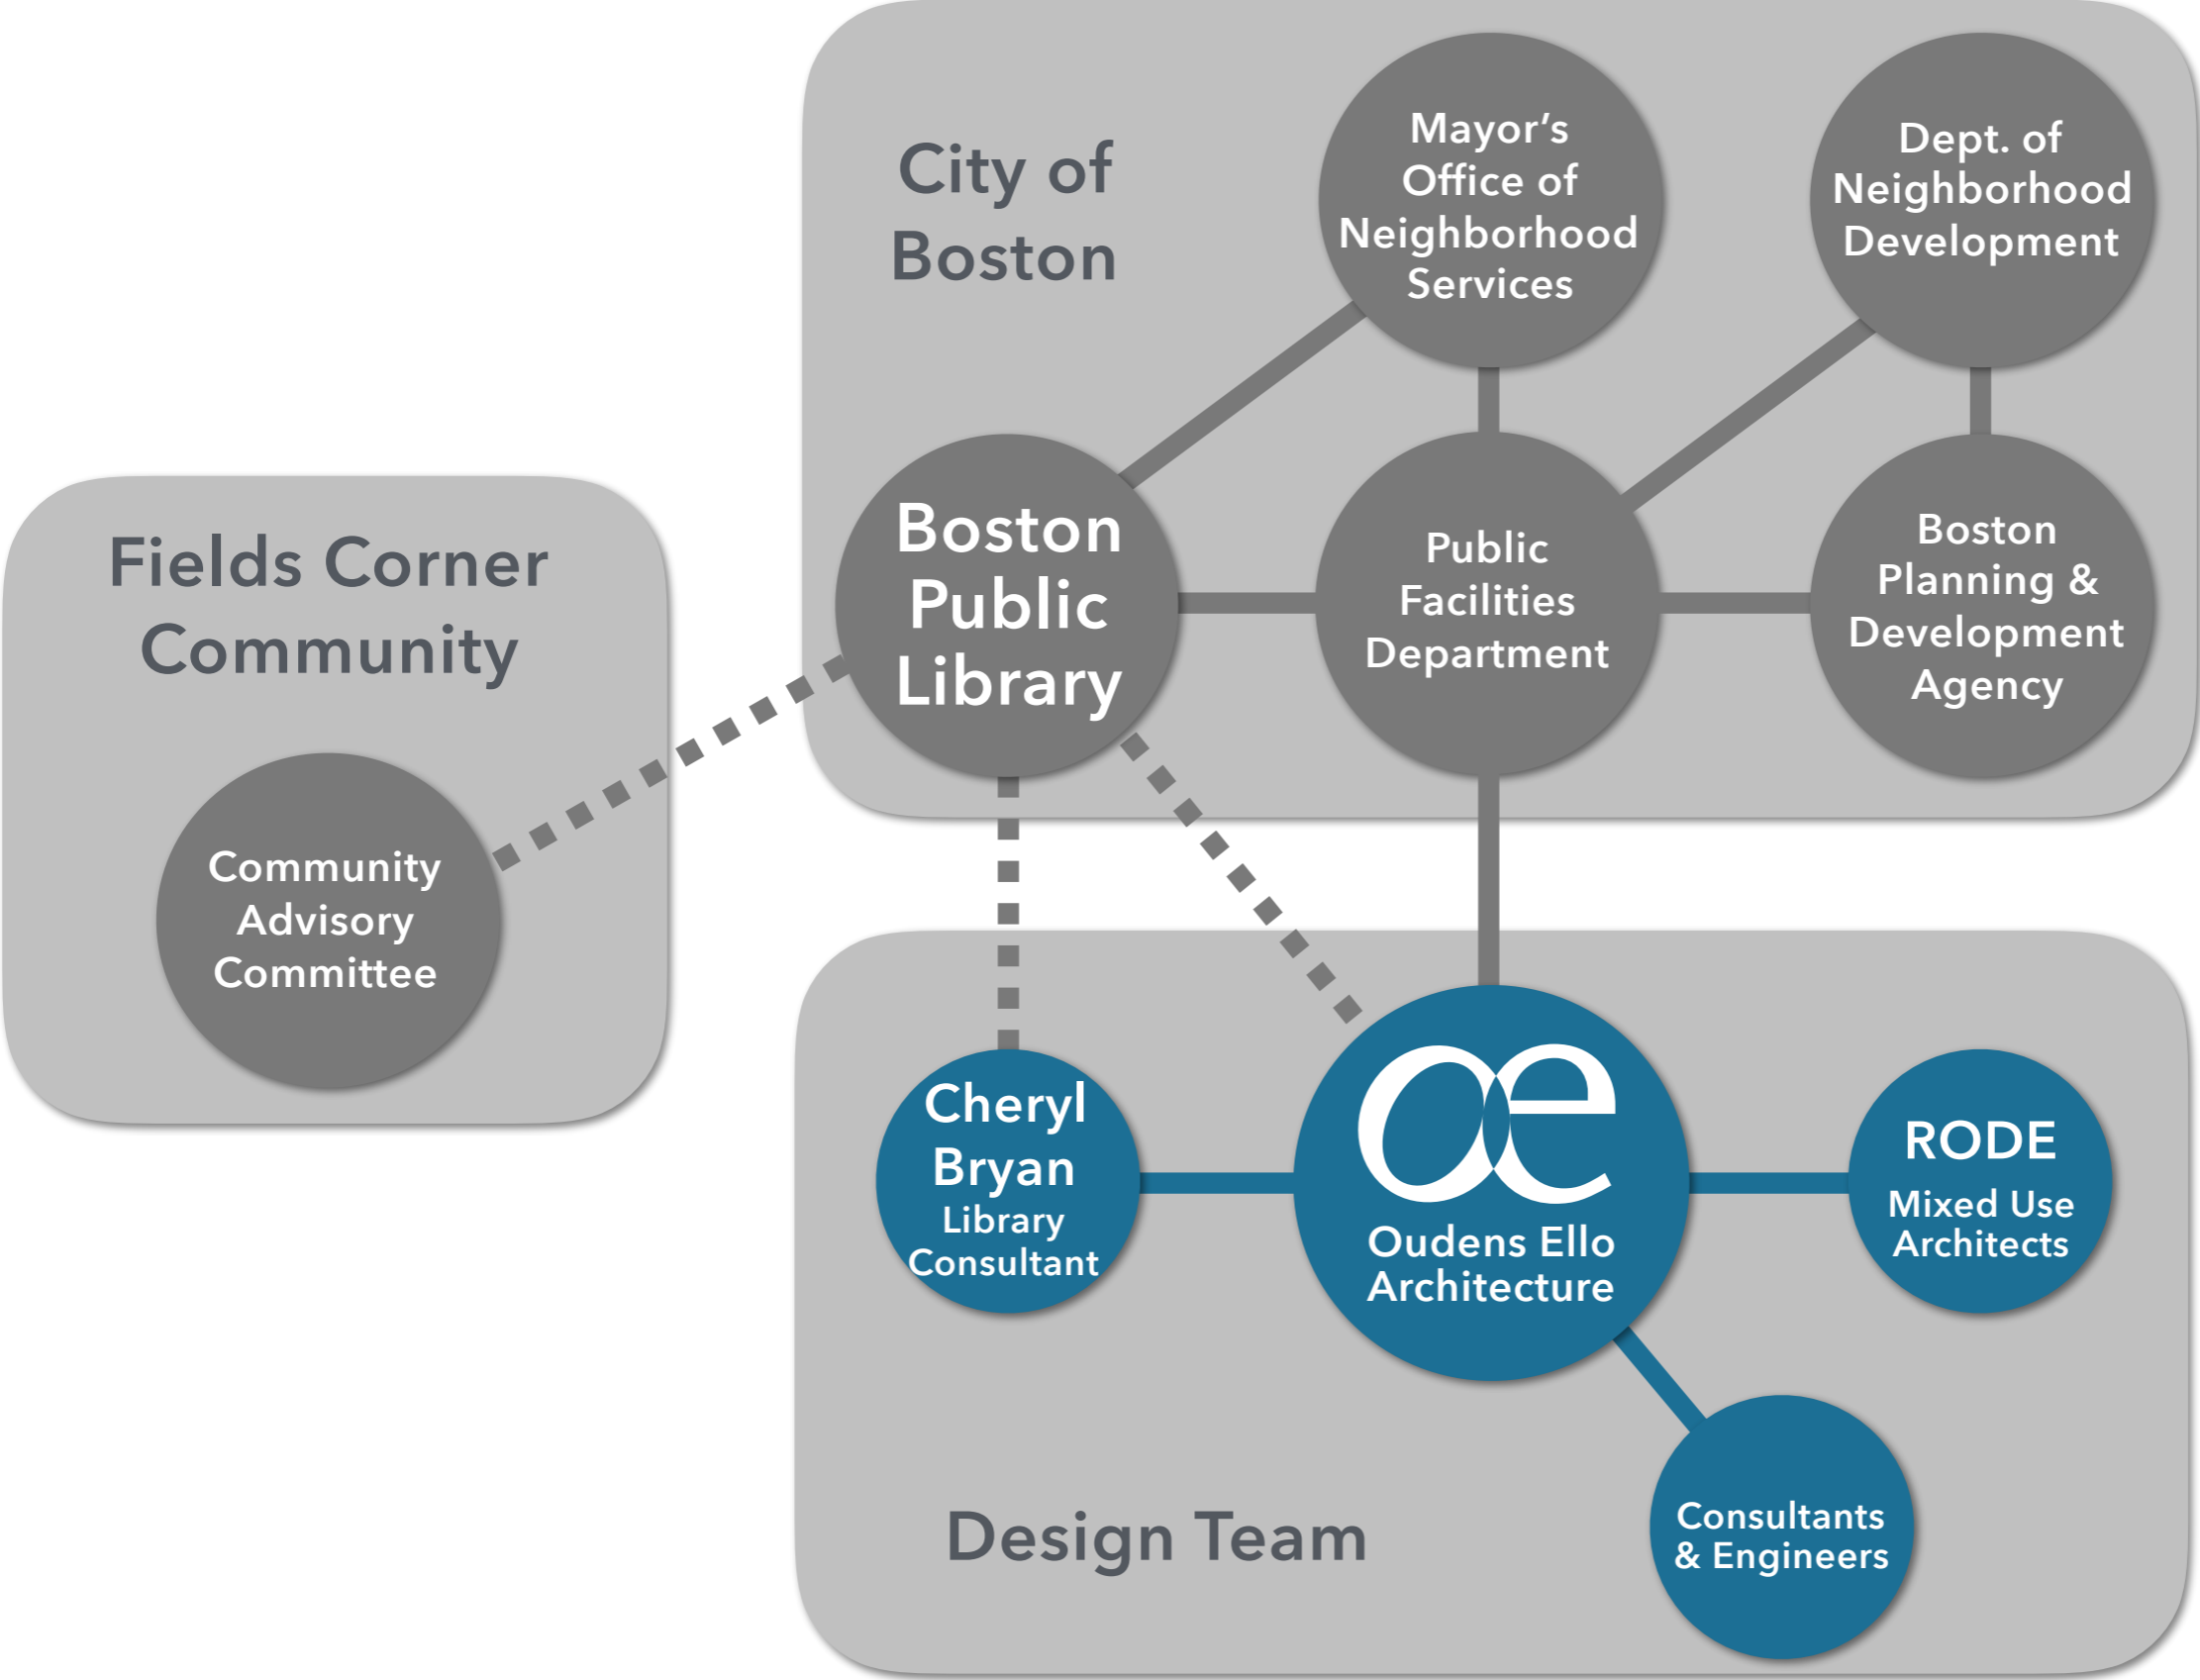

5. Review of Building Massing

6. Next steps

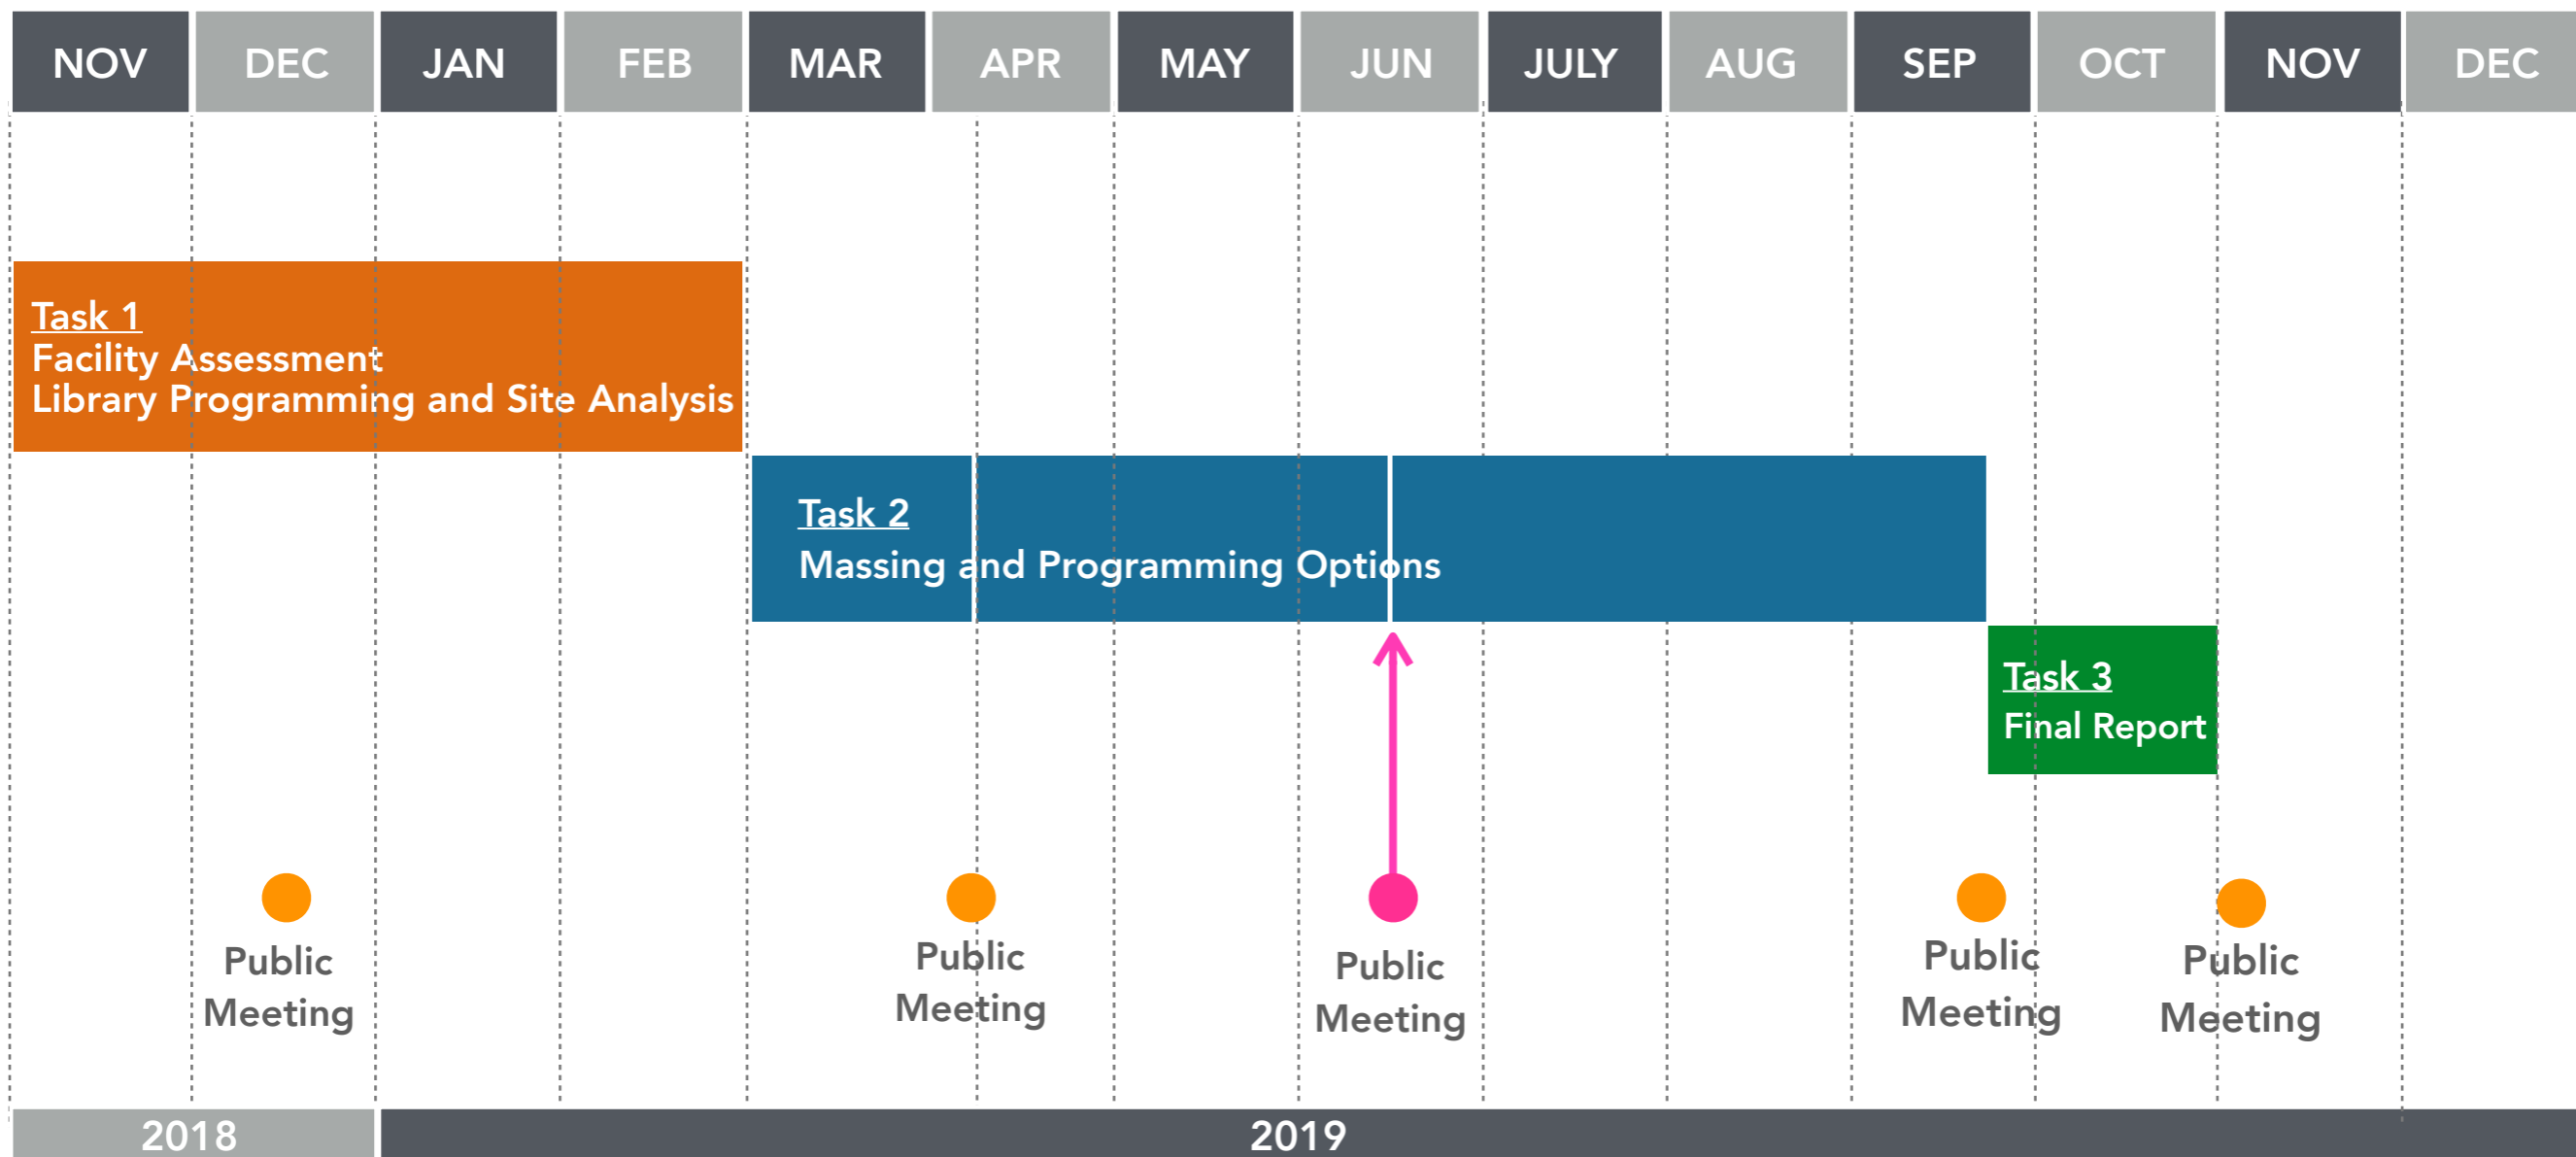

7. Comments

8. Feedback Contact

Project Team

Program Study Schedule

What We Heard at the Last Meeting

COMMUNITY PROCESS

Add additional Community Advisory Committee (CAC) meeting(s) so that community can advise on library programming and planning

MIXED-USE

Promote space for non-profits and/or community uses as the mixed-use component

Support for housing as mixed-use program with library

Support for a 5-story massing of mixed-use scheme

LIBRARY PROGRAM

Interest in an outdoor reading/garden space

Include bike parking

Design to accommodate use by the senior/elderly population in the neighborhood

Goals for this Meeting:

Community Input on Library Programming

What programs and activities do you want the branch to be able to accommodate?

Are there any other uses/needs/spaces that should be considered in the proposed program?

What program adjacencies or relationships are important to you?

What kinds of material would you like to see in the collection?

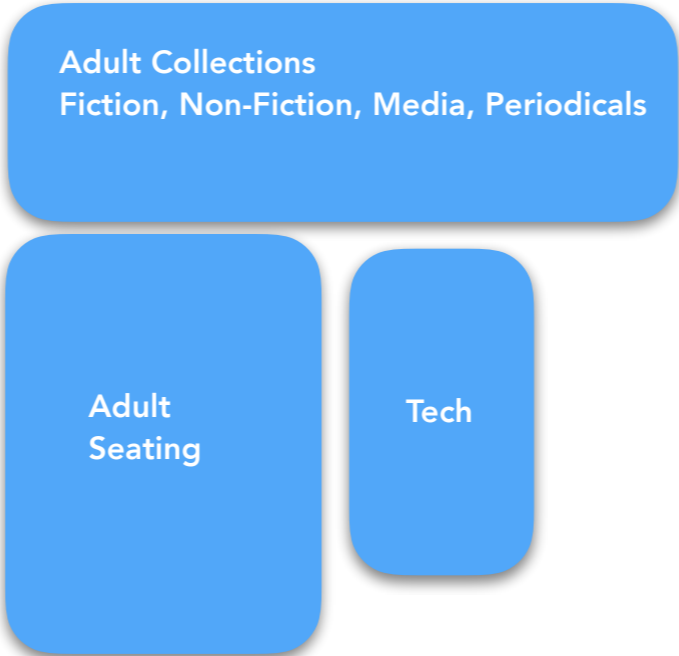

Library Program
