Boston Public Library Winter Reading Challenge

This winter, the Boston Public Library is challenging you to read a book by an author from each of six geographic regions: Africa, the Americas, Asia, Europe, the Middle East, and Oceania. Start reading on January 1, and make sure to visit your local BPL branch to mark all the locations you've read on their map. If you did not receive your limited edition Winter Reading Challenge enamel pin while signing up, you can do so at any BPL location until February 28.

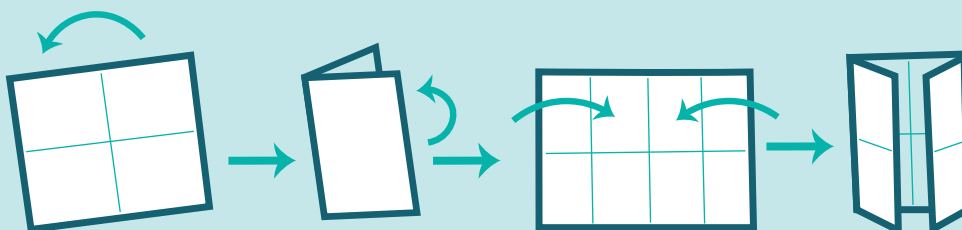

Visit www.bpl.org/winter to find suggestions for books and sign up for our newsletter. Contact winter@bpl.org with any questions about the Winter Reading Challenge.
