BPL BINGO 2026

HOW TO PARTICIPATE

Fill out this Bingo Card with what you read and did to fulfill the challenges, starting from June 1, 2026. You do not have to return your Bingo Card to the library — it is yours to keep! Check in at your local library for a sticker every time you get bingo. During the last two weeks of the challenge, show your completely filled out bingo card at your local library in order to place a celebratory bookplate in a book in the BPL's collection! The Summer Reading Challenge officially ends on August 31, 2026, but we hope you will continue reading all year round.

JOIN THE SUMMER READING COMMUNITY

We would love to hear about your summer reading books and activities! Stop by your local BPL location to put your completed challenges on the library's Bingo Board and share what you've been up to with other summer reading participants. Can't come in person? You can always email us at bingo@bpl.org. We will put your completed challenge on the board for you. We also have summer reading events planned throughout the summer. Visit bpl.org/events to learn about programs at your local library.
